Missing: Chuck Stevens; Chuck Loveless

Hustle, hustle, always Bitburg's first venture

For the first time the Barons were represented by a football team. Due to the population of the school, we entered the Class B League which was composed entirely of Army high school teams. Each victory was doubly sweet since it represented an Air Force victory. Although our record of 2-5 was not too impressive, it was not bad for our first year. With more experience we are hoping that next year's football season will be a more successful one.

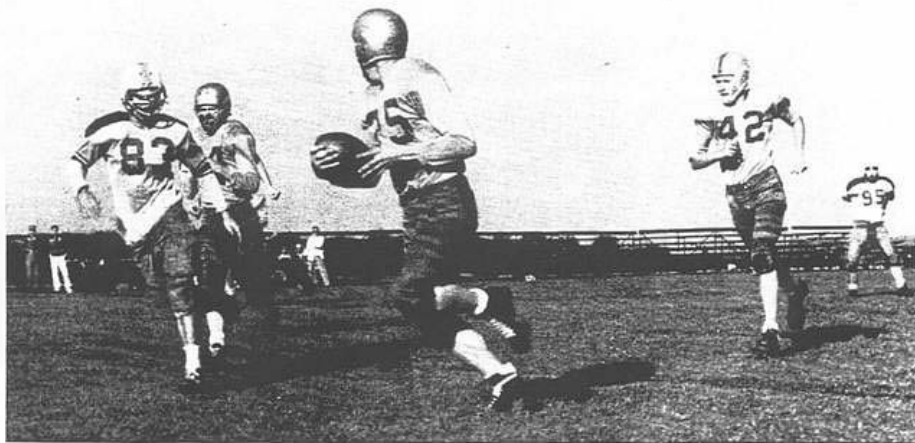

Barons off to Berlin and their second win of the season
